Sub: Standard Operating Procedure(SOP) for Aadhaar Delinking

Sir/Madam,

Kindly refer to the above mentioned subject.

1. **Background**

Section 139AA of the Income-Tax Act 1961 was introduced by the Finance Act, 2017. The section makes it mandatory to quote Aadhaar / Enrolment ID of Aadhaar application form, for the filing of return of income as well as in the application form to enrol for PAN.

Section 139AA states :

(1) Every person who is eligible to obtain Aadhaar number shall, on or after the 1st day of July, 2017, quote Aadhaar number—

   (i) in the application form for allotment of permanent account number;

   (ii) in the return of income:

*Provided* that where the person does not possess the Aadhaar Number, the Enrolment ID of Aadhaar application form issued to him at the time of enrolment shall be quoted in the application for permanent account number or, as the case may be, in the return of income furnished by him.

(2) Every person who has been allotted permanent account number as on the 1st day of July, 2017, and who is eligible to obtain Aadhaar number, shall intimate his Aadhaar number to such authority in such form and manner as may be prescribed, on or before a date to be notified by the Central Government in the Official Gazette:

*Provided* that in case of failure to intimate the Aadhaar number, the permanent account number allotted to the person shall be deemed to be invalid and the other provisions of this Act shall apply, as if the person had not applied for allotment of permanent account number.

However, Aadhaar quoting is not mandatory (refer Notification No. 37/2017 dated 11.05.2017 for an individual who does not possess the Aadhaar number or Enrolment ID and is residing in States of Assam, Jammu and Kashmir, Meghalaya, above 80 years of age, non-resident Indians and non citizens of India.

Initially, the deadline for linking of Aadhaar with PAN was 31.03.2019 which has now been extended till 30.09.2019 vide Notification No. 31/2019 dated 31.03.2019. The notification also states *that “every person who*
has been allotted permanent account number as on 01.07.2017 and who is eligible to obtain Aadhaar number, shall intimate his Aadhaar number.....by 30.09.2019.....”

During the process of linking Aadhaar with PAN, the PAN holders/applicants/taxpayers face certain issues. These issues are forwarded to Income Tax Department through various channels in form of grievances

2. **Channels through which grievances are received**

The grievances are received by the Department through various modes like email, letter, CPGRAMS, e-Nivaran etc. These grievances may land at various desks viz. Prime Minister office, Chairman’s office, Pr. CCIT Office, CBDT, Ministries, RCCs, AOs, Service Providers or at any other desk which is forwarded to the concerned officer for resolution.

3. **Categories of grievances in respect of Aadhaar delinking**

The grievances in respect of Aadhaar delinking can be classified into various categories which need to be identified before initiating the process of Aadhaar delinking. These categories are as under:

A. One PAN inadvertently allotted to more than one person and Aadhaar of one allottee linked with PAN of other
B. One assessee is in possession of more than one PAN and Aadhaar is linked with deleted/deactivated PAN
C. Aadhaar no. of one person is linked with PAN of another person due to any of the following reasons:
   a. Digitization Error
   b. Aadhaar of guardian linked with PAN of minor.

4. **Aadhaar linking steps to be followed by RCCs**

RCCs have to follow certain steps for resolving the grievance. The step by step process is as under:

i) **Document Collection** : For the purpose of Aadhaar delinking, the following documents may be collected by the RCCs before forwarding the grievance to Joint Director(S), O/o ADG(S)-1 :

   - Copy of Aadhaar Card to be shared on mail, preferably coloured copy
   - Copy of PAN Card(s)
   - Any other relevant document, if required
   - Aadhaar update history from the applicant/PAN holder. This can be downloaded from the UIDAI website: https://uidai.gov.in. This can only be generated by the PAN holder since it is OTP based (optional)

5. **Solution on case to case basis**
NOTE: All grievances from field formation for delinking of Aadhaar from a particular PAN need to be forwarded along with the complete analysis report and requisite documents through respective RCCs

A. One PAN inadvertently allotted to more than one person(s)

- RCC to collect processing details of PAN from PAN Service Provider(s).
- RCC to collect information of Audit Log from ITBA. This can be generated through role GlobalPANView
- Ascertain initial allottee and subsequent allottee(s) of PAN on the basis of date of allotments
- Prepare analysis report and identify whether delinking is required or not. If delinking is required, then the documents and the grievance application may be forwarded to the O/o Joint Director(S), ADG(S)-1 team(bdobriyal@incometax.gov.in)
- The delinking of Aadhaar will be done (as per process mentioned in para 6) on the basis of analysis report and communication will be sent to RCCs and to Efiling team for necessary action at their end.
- Once delinking is done, RCCs shall issue appropriate instructions to the respective PAN Service Providers for allotment of new PAN to subsequent allottee(s), if required (refer Instruction No. 82 dated 27.06.2013)
- RCCs may issue appropriate instructions to PAN Service Providers for restoration of data of initial allottee, if required

B. One assessee is in possession of more than one PAN and Aadhaar is linked with the deleted/de-activated PAN

- RCCs should check the current status of all the PANs in possession of the taxpayer through CBN query on ITD application
- In case, if all PANs in possession of the taxpayer
  i) are active or
  ii) are under de-duplication process or
  iii) are under restoration process
- then RCC should forward the grievance to respective jurisdictional Assessing officer for completion of the process so that there is only one retained PAN against deleted/deactivated PANs
- After the completion of the above process, prepare analysis report and identify whether delinking of Aadhaar is required or not.
- If delinking is required, then the documents and the grievance application may be forwarded to the O/o Joint Director(S), ADG(S)-1 Team. The delinking of Aadhaar will be done (as per process mentioned in para 6) on the basis of analysis report
- Service Providers are issued instructions by ADG(S)-1 team to process any pending application at their end, if required
- Communication is sent to RCCs and to Efiling team for necessary action at their end.

After completion of the process, respective /RCC shall be informed accordingly

D. Aadhaar is linked with PAN (event marked as Fake as per Instruction No. 70 dated 01.5.2007)

The current status of event marking and Assessing Officer details to be checked through CBN query on ITD application

If the PAN is not to be treated as fake, then the RCCs should ask the jurisdictional assessing officer to write a mail for **deletion of the fake event**

RCCs should forward this mail along with the documents and the grievance application to the O/o JD(S), ADG(S)-1 Team for **deletion of the fake event**.

After deletion of the fake event, the Aadhaar delinking process will be initiated with the following considerations:

i) PAN has been inadvertently allotted to more than one person
   The steps for delinking will as per para 5A

ii) Asessee has two PANs
    The steps for delinking will as per para 5B

E. Aadhaar is not linked with PAN in ITBA but taxpayer is unable to link Aadhaar on efiling portal
