Respected Sir/Madam,

Kindly refer to the subject cited above. A communication has been received from IIM Bangalore regarding an upcoming Programme on Cyber Security and Risk Management Orientation for Directors.

This is a live online programme being conducted by IIM, Bangalore from 1st to 10th March, 2021. The programme focus is to provide a platform to understand a Board's and Executive Leadership's approach to cyber security and risk management. It is intended to better educate board members and provide discussion starters for them to evaluate cyber risks and prioritize cyber security as a part of the organisation's core policies. The programme highlights cyber security threats, the systems and controls that could detect and mitigate such threats and the oversight role the board should play from a governance perspective. The course fee has been indicated as INR 93,500/- plus GST per person which is to be borne by respective Heads of Department. The brochure for the course is attached.

In this context, a letter of this office inviting names of officers for this course is attached for kind perusal and necessary action by 22.02.2021.

Regards,
Shibanka

To

The Pr. Chief Commissioners of Income-tax (CCA)

Sir/Madam,

Subject: Programme on Cyber Security and Risk Management Orientation for Directors - reg

Kindly refer to the subject cited above. An email has been received from IIM Bangalore regarding an upcoming Programme on Cyber Security and Risk Management Orientation for Directors. The email and brochure received from IIM Bangalore are attached.

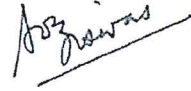

2. This is a live online programme being conducted by IIM, Bangalore from 1st to 10th March, 2021. The programme focus is to provide a platform to understand a Board's and Executive Leadership's approach to cyber security and risk management. It is intended to better educate board members and provide discussion starters for them to evaluate cyber risks and prioritize cyber security as a part of the organisation's core policies. The programme highlights cyber security threats, the systems and controls that could detect and mitigate such threats and the oversight role the board should play from a governance perspective. The course fee has been indicated as **INR 93,500/- plus GST per person.**

3. In this context, it is submitted that the above course is relevant for senior administrators in our Department involved with information security in general and cyber security in particular. The o/o Pr. CCIT is in-charge of ensuring implementation of the Information Security policy of the Department with the CIT(Admin&TPS) being the designated Local Information Security Officer of the region. It is felt that this course would provide a useful oversight on management of information security risks and would help the concerned officer(s) in better discharging the responsibility in this respect. I am directed to request that 1 officer of the level of Jt. CIT/Addl.CIT/CIT

handling information security matters in your office may kindly be nominated for the course. The cost is to be borne by the respective budgetary head and the confirmation in respect of availability of funds may kindly be sent along with the nomination in the following format at hrd.tcb@incometax.gov.in by close of business on 22.02.2021.

Name/Civil Code	Designation	Mobile Number	Email Id	Availability of funds (Y/N)

Yours faithfully,

(Shibanka Das Biswas)

CYBER SECURITY AND RISK MANAGEMENT ORIENTATION FOR DIRECTORS

Live Online
Programme

Programme Director
S Raghunath

Dates Week-1: 01-03 March 2021
Week-2: 09-10 March 2021

Cyber Security and Risk Management Orientation for Directors

Live Online
Programme

Dates: Week-1: 01-03 March 2021
Week-2: 09-10 March 2021

With organizational boundaries being porous, tangible and extendable as resourcing models extend to encompass the gig-economy, the threat surface and cyber security threat vectors are ever increasing and presenting an organizational blind spot. Threat actors and their motivations are also a mosaic that is many a times hard to anticipate and interpret. Thus, Cyber Security and attendant risk management issues are becoming a vexing problem that demand CXO ownership and Board oversight.

According to estimates, the Cyber Security market in India is expected to grow from USD 1.97 billion in 2019 to USD 3.05 billion by 2022, at a compound annual growth rate (CAGR) of 15.6% – almost one and a half times the global rate.

Cyber Security is no longer a technology-specific activity for the responsibility of a single central function to identify and mitigate known and unknown issues proactively or reactively. It is a collective responsibility of all stakeholders and users with clear accountability and roles.

India's growth trajectory and the growing influence of Indian enterprises globally, makes it an attractive target for Cyber criminals. While earlier instances of Cyberattacks were largely for monetary gain, reasons for attacks now also include reputational damage and power play, further compounded by state actors.

Stakeholders expect the Board's responsibility, accountability, and oversight on potential Cyber and privacy risk by having robust governance, policies and systems to ensure organizational assets safeguarded at all time through its lifecycle.

Programme Focus

The program aims to provide a platform to understand Board and Executive leadership's approach to cyber security and risk management. It is intended to better educate board members and provide discussion starters for them to evaluate cyber risks and prioritize cyber security as a part of the company's DNA.

The program highlights cyber security threats, the systems and controls that could detect and mitigate such threats, and the oversight role the board should play from a governance perspective.

The programme will provide an overview of the cyber security landscape, lessons learned from recent breaches, an executive perspective on cyber risk, regulatory expectations and leading practices for Board oversight.

For Whom?

The program is intended for board members of companies as well as potential board members who are senior leaders and senior managers responsible for cyber security and risk management in their organisations such as CISO/IT Security Director/ Cyber Security Director, Chief Risk Officer, CRO/ Enterprise Risk Officer, Governance/ Compliance Director, Business Continuity Manager, IT Operations Director, etc.,

PROGRAMME DIRECTOR

Dr. S Raghunath

Dr. S Raghunath is Professor of Strategy Area at Indian Institute of Management Bangalore. He specializes in Strategic Alliances and Strategic Leadership. He has research and published papers and case studies on the role of Corporate Boards and the contribution of Directors. He has been involved in researching

Board Practices pertaining to Cyber Security and Risk Management. He is also the Chairperson for the Centre for Corporate Governance and Citizenship at IIM Bangalore.

Dr. Raghunath was the Global Director of the International Masters Programme for Practising Managers (IMPM) in 2010-2011 and has coached many top managers of Indian as well as multinational companies. For 24 years he has been offering professional services to a number of entities such as AgriCulture Finance Corporation, Union Bank, Canara Bank, State Bank of India, Vysya Bank, General Electric, General Motors, IBM, Essar, HP, Metro Cash & Carry, Wipro, SAIL, Tata Steel, Volvo and Ashok Leyland.

Dr. Raghunath is the India Chapter Chair of the Academy of International Business. He is on the board of directors of MECL, KIOCL, Scientix Asia, K Two Technologies, Spire Technologies, Weir India, the National Venture Capital Fund, Vijaya Bank and Canara Bank. He is a Registered Consultant with the office of project services, UNDP, New York.

He teaches post-graduate and doctoral courses in Alliance Management, Strategic Networks and Corporate Strategy and leads IIMB executive programmes on Strategic Issues in Alliances & Acquisitions, Negotiations, Strategic Leadership of IT Companies and the Business Management Programme for Media and Entertainment Industry.

He was a Visiting Scholar at the Graduate School of Business, Stanford University where he engaged in research on strategy making in IT companies. He was also a visiting Professor at ISEAD, France, HEC Paris, EuroMed, Marseilles; University of Buckingham, UK; RMIT School of Business, Melbourne, Australia.

He also teaches an elective course on Digital Business Strategies and Models in the Post Graduate Programme on Software Enterprise Management (PGSM)

His research has focused on structuring and Managing International Alliances, MNC headquarters- Subsidiary relationships and e-business strategy and models. He has published several papers, case studies, book chapters and has been quoted in publications such as Economics Times, Business Line and the Computer Today and he wrote a column on business strategy for Outlook Business.

The Indian Institute of Management Bangalore (IIMB) is a leading graduate school of management in Asia. Under the IIM Act of 2017, IIMB is an Institute of National Importance. Established in 1973, IIMB today offers a range of post-graduate and doctoral level courses as well as executive education programmes. With a faculty body from amongst the best universities worldwide, IIMB has emerged as a leader in the area of management research, education and consulting. IIMB's distinctive feature is its strong focus on leadership and entrepreneurial skills that are necessary to succeed in today's dynamic business environment.

IIMB has around 100 full time faculty members, more than 1200 students across various long duration programmes and nearly 6000 annual Executive Education participants.

IIMB has obtained the European Quality Improvement System (EQUIS) accreditation awarded by the European Foundation for Management Development (EFMD). IIMB has been ranked No. 2 in the India Rankings 2020 in the Management Education category under the National Institutional Ranking Framework (NIRF) by the MHRD.

Executive Education Programmes

The Executive Education engages with the industry through its various Custom and Open enrolment programmes with a view to impart the knowledge and skills necessary to succeed in today's environment. IIMB's Executive Education ranks among the Top 50 Global schools as per Financial Times Executive Education Ranking 2020 and is the only business school from India to figure in this prestigious list of global providers of Executive Education.

VISION

To be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society
