Dear Sir/Madam,

I wish to inform that the Hon'ble President of India, Smt. Draupadi Murmu had graced the "opening of Rashtrapati Nilayam, Secunderabad" for visitors through video conferencing on March 22, 2023, Telugu Ugadi day. It is for the first time that the heritage building of Rashtrapati Nilayam is opened to the general public. Earlier people could visit only the gardens of Nilayam once a year for a limited period.

The main attractions to visit in the Nilayam are the Main building including the Presidential wing, dining hall and the central corridor and the underground Kitchen tunnel that connects the Main kitchen to the dining hall, which is revamped with traditional Cheriya art paintings of Telangana.

In addition to the main building, visitors can learn about the history of Rashtrapati Bhavan and Rashtrapati Nilayam, know about the Constitution and get a glimpse of the role and responsibilities of the President of India in the 'Knowledge Gallery' which was earlier used as stables. Various sections of the Gardens of Nilayam such as Rock Garden, Herbal Garden, Butterfly and Nakshatra Garden will remain open to the public. One can obtain information about fruits, trees and flowers by scanning QR codes.

Apart from tour guides, basic amenities like parking, cloakroom, wheelchairs, café, souvenir shop, restrooms, drinking water and first aid facilities are available for the visitors.

The Rashtrapati Nilayam is open for the general public throughout the year, except during the President's southern sojourn visit. Visitors can book their slot online through <http://visit.rashtrapatibhavan.gov.in/>. Walk-in booking facility will also be available at the Reception Office, Rashtrapati Nilayam. People can visit the Nilayam six days a week (except Mondays and Government holidays) from 10:00 am to 05:00 pm, with the last entry at 04:00 pm.

A nominal registration charge of Rs 50/- per person for Indian nationals and Rs. 250/- per person for foreign nationals will be applicable. In case of group booking of maximum number of 30, a discount of 20% is applicable.

Therefore, I request the authorities to inform the personnel working in the organization to plan group tours from organization side and also make employees aware of the new tourist point in Hyderabad to explore with families and friends.

Looking forward to seeing the employees benefit from this opportunity. Please call for any queries to Visitors Facilitation Center, Rashtrapati Nilayam, Secunderabad on – 040-29560518.

Warm regards

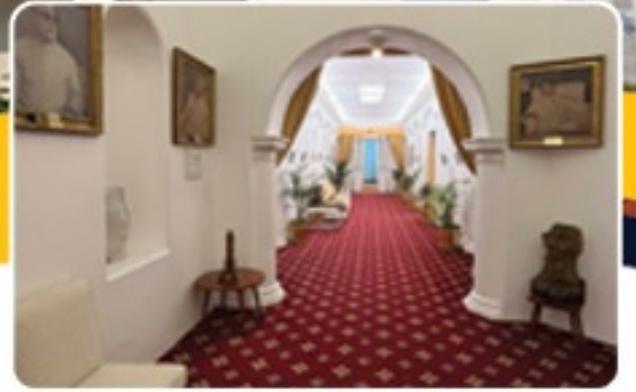

Dr. K. Rajani Priya
