2. The BSNL AP circle has provided the list of telephone connections (439 in number) installed at various Income Tax Offices situated in AP region and requested to validate the connections for billing centrally at New Delhi under Project Tarang-2 scheme which came into force from 01.04.2022 as per MoU between Income Tax Department and BSNL & MTNL dated 30.03.2022.

3. In this regard, vide letter dated 23.01.2023, all the DDOs were requested to submit the details of telephone connections installed at offices under their control in the prescribed pro-forma 'A & B'. As the information was not received in complete form from all the offices, e-mails/ telephone calls were sent/made on various dates. Despite multiple reminders, the information has not been received properly. Hence, an e mail along with the revised proforma enclosing the total list of telephone connections received from BSNL was sent on 29.03.2023. The same was also intimated to all the DDOs over telephone.

In this connection, the list of telephone numbers (172) for which details have not been received is appended herewith as annexure-I. All the DDOs in Andhra Pradesh region are hereby requested to go through the list once again and intimate in revised proforma (which is also provided here for ready reference) if there is/are any Land Line or Land Line with FTTH connection in the list pertaining to the respective offices on or before 24.04.2023 so that the list of the balance connections can be sent to BSNL for de-activation.

5. In view of the above, all the DDOs are hereby requested to sent their consent for deactivating the connections which are mentioned against their station/charge immediately, as final list of connections covered under Project Tarang must be forwarded to the Board for bill payments centrally which are pending for a long period.
