To,

All Pr. Chief Commissioners of Income Tax /Pr. Director Generals of Income Tax

Madam/Sir,

Subject: Inviting Articles for Taxalogue: an e-journal of the Income Tax Department-reg

It is a matter of great pride and satisfaction that Directorate of Income-tax (Legal & Research) has successfully brought out 5 issues of *Taxalogue* in a period of 17 months. This was made possible by the generous contribution from the officers of the Department. They all traversed beyond the scope of their regular work, to voluntarily share their knowledge and insights with the direct tax community at large. The members of this community, who care to read these issues, will surely stand enriched.

The published articles have spanned from basic concepts of taxation, tax policy, tax history, ideation, international taxation, dispute resolution, exemption, assessment, faceless e-assessment, etc. Considering that the field of taxation is vast and ever expanding, there is no dearth of topics or areas that are awaiting exploration and research. *Taxalogue* hopes to serve as a continuum of tax dialogue, where concepts and thoughts are freely expressed and debated to provoke deeper analysis, resulting in expression of more ideas and perspectives.

Sharing of knowledge is bound to make the journey of tax administrators more rewarding and enriching. With this conviction, contributions of articles, essays, research works are invited for the upcoming and subsequent publications of *Taxalogue*. I request you to encourage the officers posted in your region to upload their article on any tax issue of their choice by sending an e-mail at 'taxalogue@incometax.gov.in'.

Yours faithfully,

(Reena Sinha Puri)

Director General of Income Tax (L&R)
